

## e-Screen FEHA column system for e-Screen 46-86inch

- Designed for ergonomic use of Legamaster e-Screen touch monitors
- Set the desired screen height at the touch of a button
- The extra large floorplate enables freestanding placement of the e-Screen, for situations where mobility is not required, but there is no wall to mount a column system to
- Solid design with high-quality LINAK® electrical lifting column for safe and reliable use
- The stand has sufficient space to house PCs with smaller form factors
- Designed with special cable-management solutions and special covers that hides the controller and, for example, a multiple socket outlet
- Slot for Kensington type cable locks to secure your equipment
- Low operation noise level

Ref.: **7-194272**

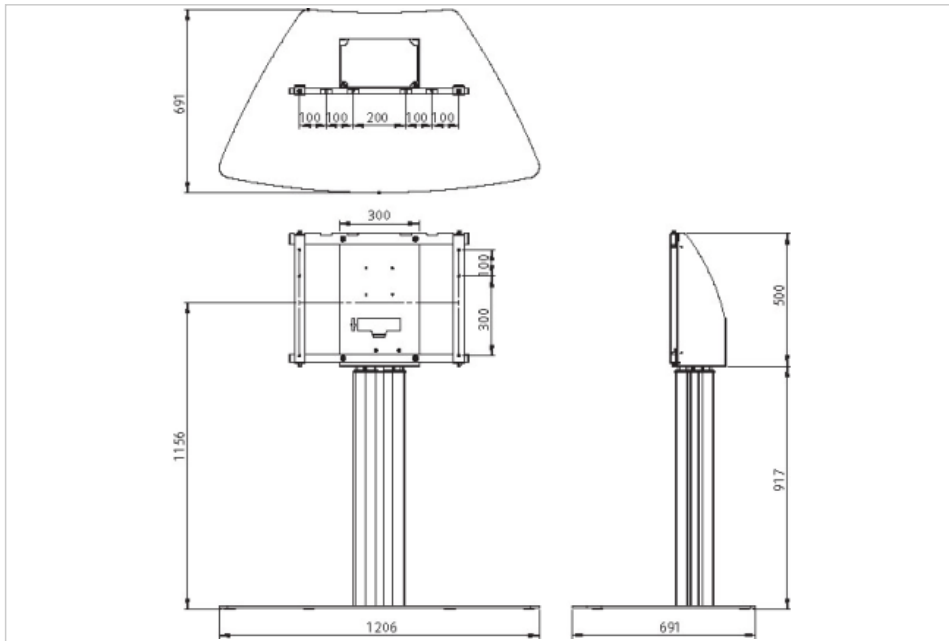

EAN: **8713797078795**

- Electrical, height-adjustable
