

- Modular smartbar in versatile design
- Includes presence sensor
- User friendly, plug & play system
- Great sound quality, tuned for video conferencing
- Designed for small to medium meeting rooms

SUPREME smartbar

SB-1

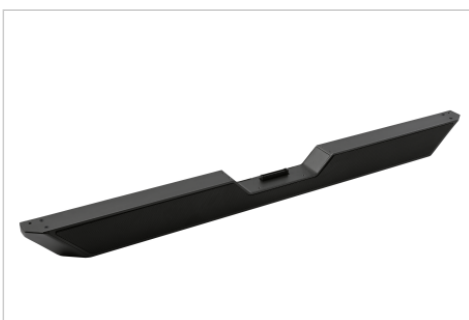

- SUPREME smartbar is Legamaster's best smart soundbar solution designed for small to medium meeting rooms
- The build quality and design of the SUPREME smartbar SB-01 is exceptional and fits perfect with the SUPREME series
- The audio performance of the SUPREME smartbar impresses with its clarity and spatial presentation
- The integrated proximity sensor makes sure that your SUPREME touchscreen turns on/off automatically when entering or leaving the room. The automatically switch on/off sensor is super environment friendly and takes away barriers for non-frequent users
- The integrated presence sensor is fixed in the smartbar, this prevents the sensor from being inadvertently taken away or from getting lost
- The SUPREME smartbar provides a consistent speech intelligibility and audio quality in small to medium meeting rooms
